Leadership

## PERFORMANCE RADAR

# TECHNICAL STAFF PERSPECTIVE

"I had the pleasure of working with André Paulo at Sporting Clube de Portugal. He was always highly competent in everything he did, responsible, easy to work with and committed. He played an active role in the first team's league title in 2020/21 and in the B team's promotion to Liga 3. Based on his journey through various competitive contexts, I can say he will always be a valuable asset to any football project aiming to succeed both now and in the future."

**Celikkaya – Former Coach, Sporting CP (now Chicago Fire)**

"André Paulo stands out as a goalkeeper not only because of his high work rate, but also for being a socially valuable presence within the group. He adapted very well to the current tactical demands of his specific position."

**Hugo Martins – Head Coach, Ethnikos Achnas**

"I've known André since our days in Portugal's third division. He is someone who fought hard and fully earned his place in the national championship-winning squad. His journey has been built on dedication and character, both as a person and as a professional, always maintaining strong relationships with teammates, coaches and staff. His professionalism stood out in every training session and match, clearly showing he had the quality to perform at that level."

**Carlos Fernandes – Assistant Coach, Manchester United**

# TEAMMATES' PERSPECTIVE

"I had the opportunity to get to know André Paulo and share the dressing room with him for two years at Sporting Clube de Portugal. In addition to his outstanding qualities as a goalkeeper, which are beyond question, I also got to know him as a person and understand what he brings to a team environment. He has never been and will never be a problem. He is always an asset. He has been part of high-level, winning squads and has gained the experience needed to be ready for any kind of challenge."

**Daniel Bragança – Midfielder, Sporting CP**

"André is a true professional who never changes the way he works, no matter the circumstances. It was a pleasure to have him as a teammate and in the dressing room."

**Matheus Nunes – Midfielder, Manchester City**
